## **NSS REPORT ON SAVE FOOD AWARENESS WORKSHOP 26<sup>th</sup> Aug 2023**

"Save Food Save Country", you must have read or heard this slogan somewhere. But, did we understand this phrase in reality and do we believe that is this true. As per statistic, wastage food from one hotel in a day can feed 13 people. Further, this waste food thrown in garbage which decomposes and produce methane gas which creates Respiratory issues inhuman & Animals and also cause Environment stress. Now, we can imagine what actually this phrase means considering number of Hotels present and number of people sleeping without food along with the impact on Human health and effect on Environment.

Save Food 'is a critical global mission that requires collective effort by reducing food wastage. We can ensure food security, save economic resources and mitigate environmental damage. As responsible citizens, it is incumbent upon us to take action and contribute to this vital cause. Remember every grain saved is a step to sustainable and hunger free world.

Under Clean Plate Campaign, Save Food Awareness workshop was conducted in Indian Institute of Food & Science Technology on 26<sup>th</sup> Aug 2023.
