Importance of Food and Nutrition

Students from Food Science demonstrated and explained the importance of Nutrition to Villagers. Students & Teachers educated villagers for the essential nutrition needed by Human body to be Healthy and what are the various ways to get the same.

During Closing Ceremony, Villagers were overwhelmed and appreciated the College for arranging this Camp which gave villagers insights about Health, Nutrition and Fashion.

Villagers also informed that such Awareness Camps are to be regularly arranged so that villagers can get maximum Benefits out of it.
